RPL My Te Cheerful

RPL My Te Cheerful (aka "Henry"), owned by Vern Habighorst of Phoenix, AZ won the Youth World, Open World, Select World and Congress in Youth, Limited Amateur, Amateur and Open AND was Grand Champion Gelding at the Congress in Open, Amateur and Youth AND did it almost unanimously across the board. Whew...that's a mouthful of unprecedented accomplishments by one horse in one year. It's also a trophy case full of hardware for this well deserving 2004 bay gelding. And to top it off, Henry is known for being so great minded that it's often hard to keep him from falling asleep in the show pen. Great accomplishments combined with a great mind. RPL My Te Cheerful is everything a halter horse should be.
